CAMPER INVENTORY LIST

Please inventory your clothing/equipment on this sheet and **bring it to camp when you check in.** Please be sure to mark all clothing and personal items with the camper's full name. This makes it easier for staff members to keep track of loose clothing. Initials are sufficient; however, we will not be able to determine the owner of an article of clothing if it is left at camp until the end of the summer.

Please remember you are coming to camp and leave your valuables at home. Rocky Mountain Village is not responsible for lost or stolen items.
